

Emerging Leaders Student Application

The Emerging Leaders Program is a personal and professional developmental program designed for first-year students and others seeking to develop their leadership skills. The program focuses on experiential activities, small group discussion, and personal development in order to prepare student leaders for more advanced leadership roles in the university community.

It's a chance to meet new people, explore new ideas, and become more involved in university-wide leadership opportunities, including student government and student organization officer positions, orientation leaders, residence hall leaders, and student mentors.

Any questions should be referred to Vincent Phillips (vdphilli@uark.edu) or 575-5002. All information must be accurate and complete or your application will not be processed.

Applications must be submitted through HogSync by Monday, January 13, 2017 by 12:00PM.

Acceptance Notification

For Group 1: By Monday, February 13 2017 via email

For Group 2: By Tuesday, March 28, 2017 via email

Email will be the primary source of communication for the program. Please check your University of Arkansas email account for the letter of acceptance. You will also be given information regarding your section assignment.

Weekly Workshop

You will choose between one of two sections—Tuesdays or Wednesday—from 4:00PM - 5:30PM. Each weekly workshop is informative, interactive, and fun. Please indicate on your application which day of the week you prefer to be a participant. The workshops will begin on February 14, 2017 (Tuesday) and March 29, 2017 (Thursday).

Attendance

With the Emerging Leaders program being a once a week, 4-week workshop, attendance each week is mandatory—due to this, student participants are not allowed any absences over the course of the workshop.

When signing up for a session, please keep in mind any labs or classes that you are registered for in the spring semester (especially any 8 week classes that start mid-semester) that will cut into the weekly workshop. Please be on time and plan to be there for the entire workshop (4-5:30pm) - leaving early and coming late is disruptive to the program and to your fellow participants.

Any anticipated absences must be emailed to Vincent Phillips (vdphilli@uark.edu) at least by noon on the day of your workshop. Excused absences will be reviewed and given by the Emerging Leaders staff on a case-by-case basis.
